## JANETTE EWEN

As a décor and lifestyle expert, Janette Ewen has been reporting on the hottest design trends for style publications and television for over 10 years. Ewen is known for her creative, budget-friendly and original (often quirky) approach to decorating. Named by *The National Post* as one of three Canadian stylists who "get it", Ewen guides would-be designers through a good-natured competition of design challenges as co-host of *Inside the Box with Ty Pennington* (seen on W Network). Known especially for her creative, budget-friendly and original approach to decorating, Ewen is a regular on television programs from coast to coast, including *Canada AM*, *CityLine*, *Breakfast Television* and *Urban Rush*. Ewen also appeared as a design expert on *The Decorating Adventures of Ambrose Price*, and as a judge on *From the Ground Up* with *Debbie Travis*. For the past three years, Ewen has brought to life many of her visions and inspirations as the designer of *The National Home Show's Dream Home*.
